Voluntary Steward Rule and Procedures

Packaging and Printed Paper Program Rules

With the December, 2008 passage of Manitoba Regulation 195/2008, the Packaging and Printed Paper (PPP) Regulation became law in Manitoba. Multi-Material Stewardship Manitoba (MMSM) was designated as the Producer Responsibility Organization (PRO) under the WRAP Act, 2008. The PPP Program Plan that was approved by Manitoba’s Minister of Conservation included Rules made to participate in the stewardship program. A copy of the Rules of the program can be obtained at: www.stewardshipmanitoba.org.

Under the Program Rules Stewards are defined "Steward of designated material" means (a) the first person who, in the course of business or a prescribed activity in Manitoba, supplies a designated material to another person; or (b) a person who, in the course of business or a prescribed activity in Manitoba, uses a designated material obtained in a supply transaction outside of Manitoba. The “Rules” allow companies to elect, subject to approval by MMSM to become Stewards respecting designated materials that would otherwise be the responsibility of another Steward.

The purpose of the Voluntary Steward in the Rules is to provide an opportunity for a company to accept reporting responsibilities and make payments on behalf of a Steward in order to reduce the administrative burden on the Steward.

Terms and Conditions

In order to become a Voluntary Steward, a company must complete a Voluntary Steward Agreement and enter into a contract with Multi-Material Stewardship Manitoba and pay fees on behalf of the otherwise responsible Steward.

If a Voluntary Steward defaults on its responsibility under its contract with Multi-Material Stewardship Manitoba, the agreement becomes null and void. In this case, the obligation reverts to the obligated Steward in Manitoba of the Designated Packaging and Printed Paper (DPPP).

Examples of Voluntary Steward Under Procedures

Under the current policy, certain types of arrangements will not be accepted as part of a Voluntary Steward. They are described below.

Table 1: Proposed Voluntary Steward Arrangements that are Not Acceptable

Example	Explanation
Manitoba supplier exempt under Section 6 of the Rules	Does not meet requirement of a Steward under the Rules and a Voluntary Steward needs to reside outside of the Province of Manitoba
Industry association	Does not meet requirement of being a brand owner and therefore not a Steward of DPPP

Voluntary Steward Procedures

Example	Explanation
Applicants' "Schedule B" indicates a plan to volunteer for some customers but not others	Application would be rejected as not in compliance requirements of Section 2 of the Voluntary Steward Agreement

Steps for Completing Application for Voluntary Steward

A person or company that elects to become a Voluntary Steward under the Rules must follow the steps laid out below.

1. Register with Multi-Material Stewardship Manitoba (link to www.stewardshipmanitoba.org)
2. Review and complete all sections and Schedules of the Voluntary Steward Agreement. If you have any questions please contact our Customer Service Group by telephone at **1-877-883-5828** or by email at customerservice@stewardshipmanitoba.org.
3. Sign and return a copy of the completed application and accompanying schedules to Multi-Material Stewardship Manitoba within 14 calendar days of registering by fax to 204-326-5059 or email a scanned copy to customerservice@stewardshipmanitoba.org. Voluntary Steward Agreements must be received **no later than March 28, 2013**. Multi-Material Stewardship Manitoba recommends that Voluntary Steward Agreements be submitted as soon as possible since timing is critical to minimize double counting and to enable other Stewards to report on other DPPP for which they remain responsible. Retain a copy of this correspondence for your records and to provide as evidence of the submission.
4. If the Voluntary Steward Application to become a voluntary steward is approved by Multi-Material Stewardship Manitoba, a signed copy will be returned to you within 30 days of its receipt. You will then be required by the agreement to notify all companies listed in Schedule B that you have been accepted as a voluntary steward and that you will assume the reporting and financial responsibilities for all the (DPPP) identified with your Brand that you sold and distributed in Manitoba.
5. If the Voluntary Steward Application is not complete, or is not approved you will receive an explanation by email from Multi-Material Stewardship Manitoba.
6. The approved Voluntary Steward shall prepare and submit a Steward's Report to Multi-Material Stewardship Manitoba indicating the quantity, in kilograms or units, of DPPP material and remit the required payments in accordance with Appendix C of the Rules for which it has volunteered to become the Steward.

Questions - Please direct any questions to Multi-Material Stewardship Manitoba by telephone at **1-877-883-5828** or by email at customerservice@stewardshipmanitoba.org.
