Enable Pop-ups for the WeRecycle Portal in Internet Explorer 10
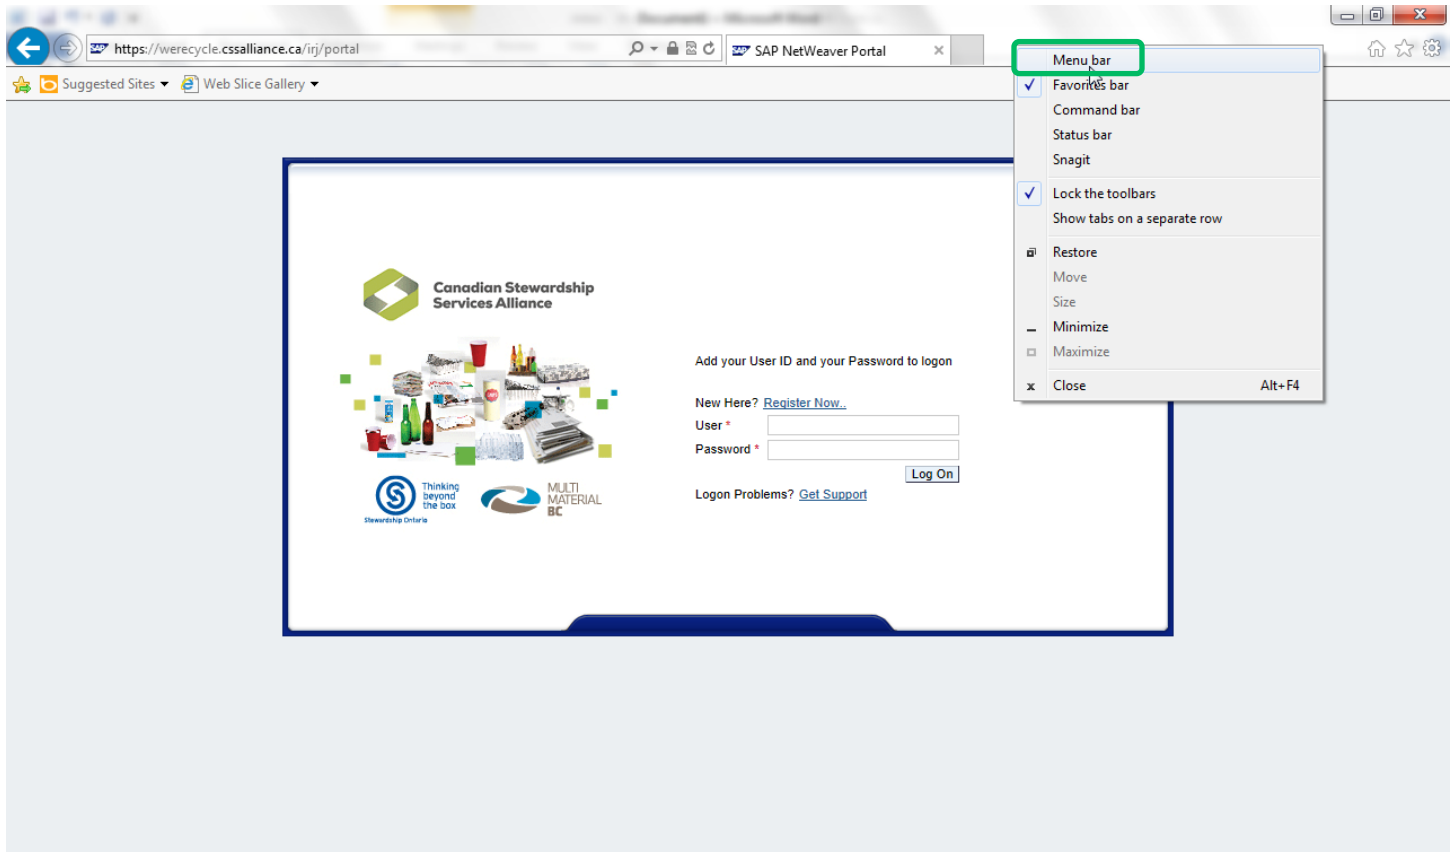

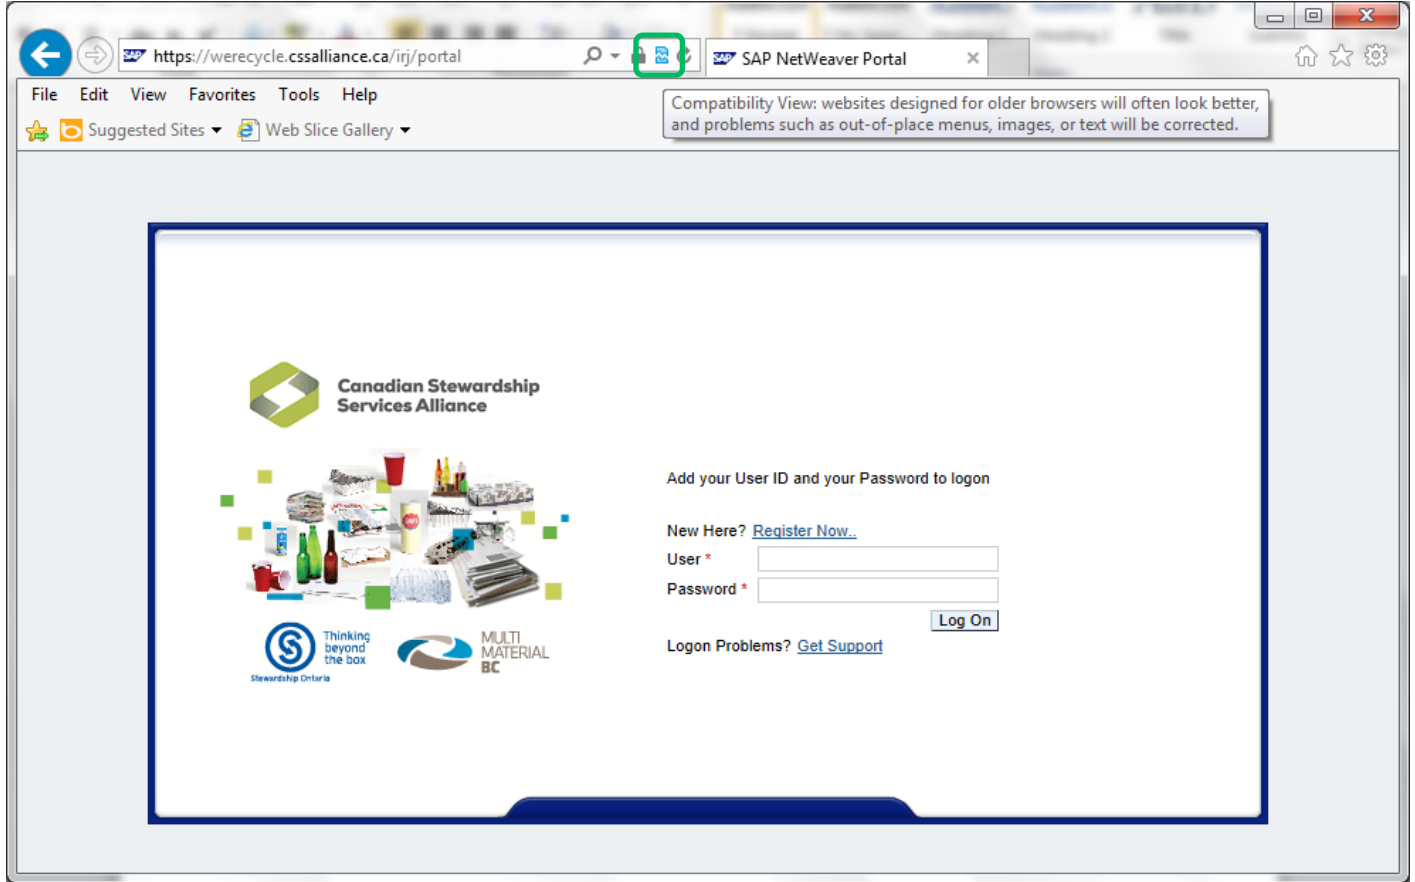

1) You may need to enable your Menu bar before continuing. To do so, right click on an empty space at the top of your browser and click on '**Menu bar**'. You can also press the **Alt** key on your keyboard to make the Menu bar temporarily visible.
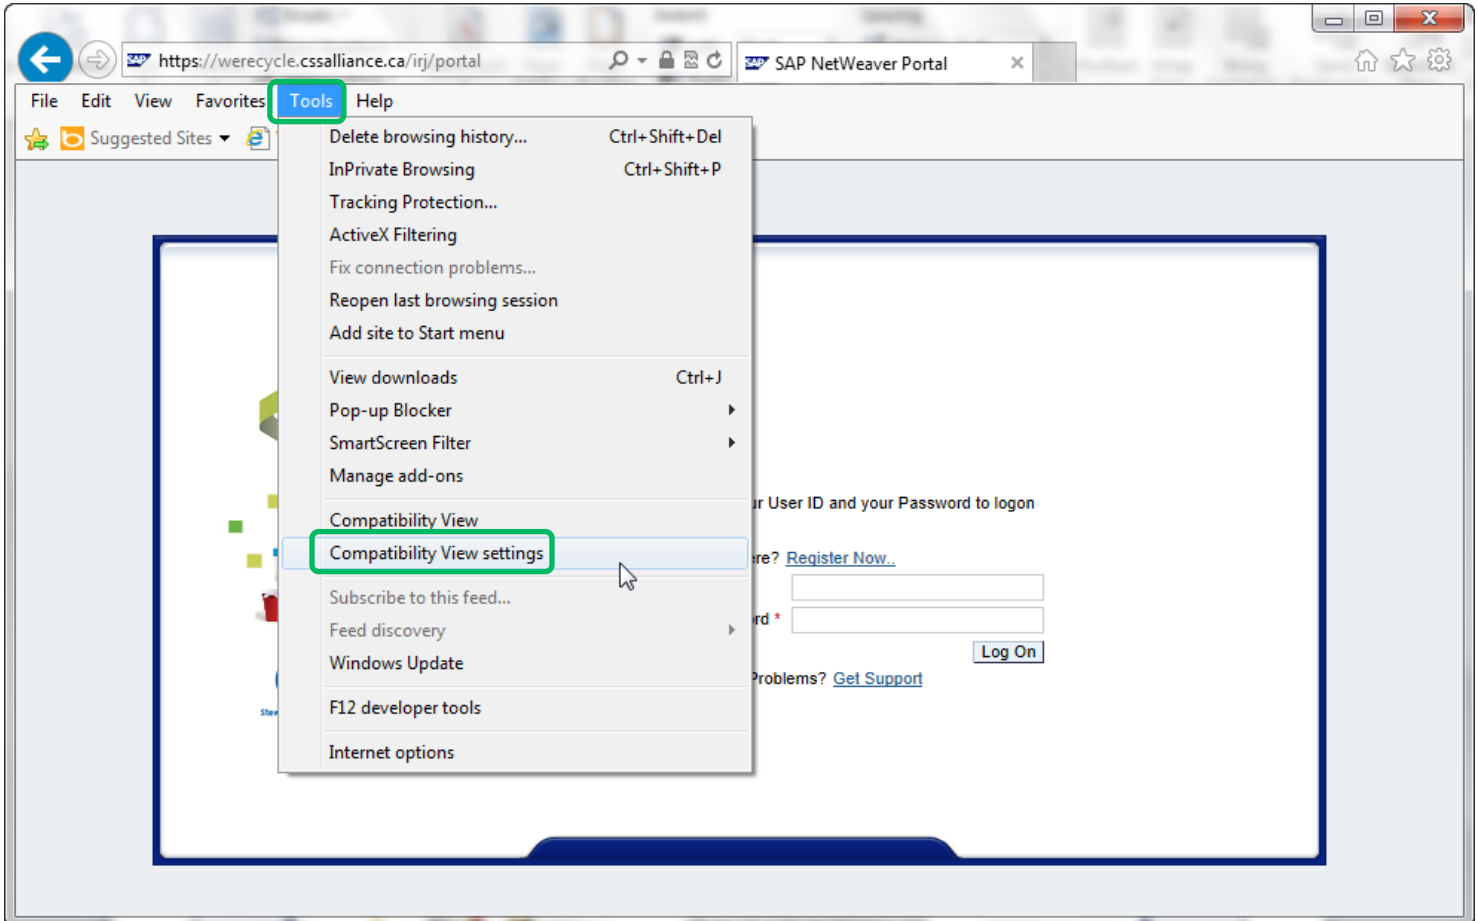

2) Ensure compatibility mode is enabled before continuing. To do so, click on the **Compatibility View** button ⬚ on the far right of the **Address Bar**.
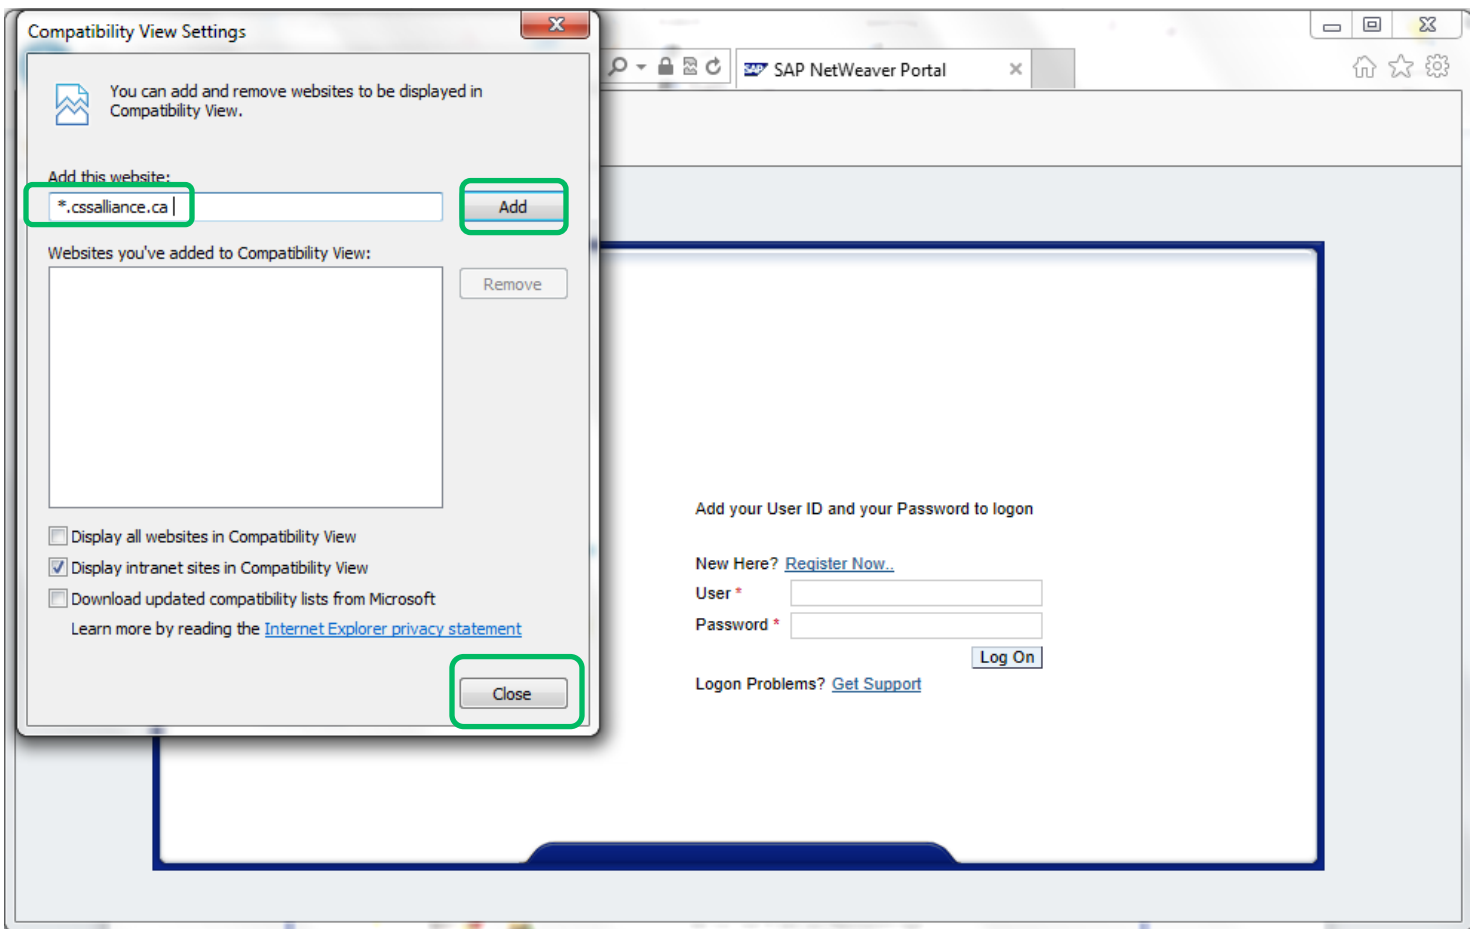

3) If you do not see the **Compatibility View** button ▨, enable Compatibility View by click on **Tools** and then
   **Compatibility View Settings**

4) In the **Compatibility View Settings** window, under the **Add this website** field, type in ***.cssalliance.ca** and then click on the **Add** button. Click on **Close** to save this setting.

Compatibility View Settings

You can add and remove websites to be displayed in Compatibility View.

Add this website:

*.cssalliance.ca

Add

Websites you've added to Compatibility View:

Remove

☐ Display all websites in Compatibility View
☑ Display intranet sites in Compatibility View
☐ Download updated compatibility lists from Microsoft

5) To enable pop-ups in from the CSSA domain, click on **Tools** in the menu bar, then **Pop-up Blocker**, and finally **Pop-up Blocker settings**.

6) In the **Pop-up Blocker Settings window** that appears, type in **werecycle.cssalliance.ca** under 'Address of website to allow:' and click on the **Add** button. Once the entry for **werecycle.cssalliance.ca** appears under **Allowed sites:** click on the **Close** button to finalize your changes. Close Internet Explorer and access the WeRecycle web portal again to log in.
