## Voluntary Steward Rule and Procedures

**Please read the following Procedures carefully. It contains important information about your obligations as a Voluntary Steward.**

Both the provincial Regulations (Reg. 195/2008) and the Multi-Material Stewardship Manitoba (MMSM) Program Plan (approved by Manitoba's Minister of Conservation) allows for Voluntary Stewards. In addition, MMSM was designated as the Producer Responsibility Organization (PRO) under the WRAP Act, 2008. A copy of the Program Rules can be obtained at: <http://stewardshipmanitoba.org/>.

## ***Overview of Voluntary Steward Obligations***

- The Rules allow non-resident companies to elect, subject to approval by MMSM, to become a Voluntary Steward respecting designated materials that would otherwise be the responsibility of a resident Steward.
- The purpose of the Voluntary Steward as defined in the MMSM Program Rules is to provide an opportunity for a non-resident company to accept reporting responsibilities and make payments on behalf of an otherwise obligated Steward in order to reduce the administrative burden on that Steward.

## ***Voluntary Stewards***

Voluntary Stewards must review the procedures below and complete a Voluntary Steward Agreement (VSA) and submit the VSA for review and approval by MMSM.

## ***Terms and Conditions***

A brand owner not resident in Manitoba can elect to become a Voluntary Steward and assume responsibility for reporting and paying stewardship fees for the packaging and printed paper associated with their brands if it meets the following criteria:

1. Not resident in Manitoba.
2. Resident in Canada.
3. Supplies the equivalent or more of one (1) tonne (1,000 kilograms) of obligated packaging and printed paper to Manitoba residents.
4. Agrees to execute a Voluntary Steward Agreement.
5. Agrees to assume responsibility for all the DPPP for which it is the Brand Owner, which it supplies into Manitoba.
6. Agrees to provide a list of all its brand names as a schedule to the Voluntary Steward Agreement.
7. Agrees to provide a list of names of all its first importer customers in Manitoba for which it is assuming responsibility as a schedule to the Voluntary Steward Agreement. (Voluntary Stewards are not allowed to volunteer for some retailers and not others.)
8. Agrees to notify each of its listed customers that they are not obligated to report on the brands for which the Voluntary Steward is taking responsibility.

In order to become a Voluntary Steward, a company must complete a Voluntary Steward Agreement, enter into a contract with Multi-Material Stewardship Manitoba, and pay fees on behalf of the otherwise responsible Steward.

If a Voluntary Steward defaults on its responsibility under its contract with Multi-Material Stewardship Manitoba, the agreement becomes null and void. In this case, the obligation reverts to the obligated Steward in Manitoba of the Designated Packaging and Printed Paper (DPPP).

***Examples of Voluntary Steward Scenarios***

MMSM’s current policy, the following applications will not be accepted:

**Table 1: Proposed Voluntary Steward Arrangements that are Not Acceptable**

Example	Explanation
Manitoba supplier exempt under the Rules	Does not meet requirement of a Steward under the Rules and a Voluntary Steward needs to reside outside of the Province of Manitoba
Industry association	Does not meet requirement of being a brand owner and therefore not a Steward of DPPP
Applicants’ “Schedule B” indicates a plan to volunteer for some customers but not others	Application would be rejected as not in compliance requirements of Section 2 of the Voluntary Steward Agreement

### ***Steps for Completing Application for Voluntary Steward***

A person or company that elects to become a Voluntary Steward under the Rules must follow the steps laid out below.

1. Register with Multi-Material Stewardship Manitoba on the CSSA WeRecycle portal: <https://wecycle.cssalliance.ca/irj/portal>. Please ensure that you self-identify as a Voluntary Steward in the obligation section of the portal.
2. Review and complete all sections and Schedules of the Voluntary Steward Agreement. If you have any questions please contact Steward Services by telephone at **1-888-980-9549** or by email at [stewards@cssalliance.ca](mailto:stewards@cssalliance.ca) . Sign and return a copy of the completed application and accompanying schedules to Multi-Material Stewardship Manitoba within 14 calendar days of registering by fax to 1-844-471-1836 or email a scanned copy to [stewards@cssalliance.ca](mailto:stewards@cssalliance.ca) **no later than December 1<sup>st</sup> of a calendar year.** Multi-Material Stewardship Manitoba recommends that Voluntary Steward Agreements be submitted as soon as possible since timing is critical to minimize double counting and to enable other Stewards to report on other DPPP for which they remain responsible. Retain a copy of this correspondence for your records and to provide as evidence of the submission.
3. If the Voluntary Steward Application to become a voluntary steward is approved by Multi-Material Stewardship Manitoba, a signed copy will be returned to you within 15 calendar days of its receipt. You will then be required by the agreement to notify all companies listed in Schedule B that you have been accepted as a voluntary steward and that you will assume the reporting and financial responsibilities for all the DPPP identified with your Brand that you sold and distributed in Manitoba.
4. If the Voluntary Steward Application is not complete, or is not approved you will receive an explanation by email from Multi-Material Stewardship Manitoba.
5. The approved Voluntary Steward shall prepare and submit a Steward's Report to Multi-Material Stewardship Manitoba indicating the quantity, in kilograms or units, of DPPP material and remit the required payments in accordance with Appendix C of the Rules for which it has volunteered to become the Steward.

Questions - Please direct any questions to Steward Services by telephone at **1-888-980-9549** or by email at [stewards@cssalliance.ca](mailto:stewards@cssalliance.ca).
